

Blokada samoregulatora LH, RH A metal L-shaped bracket with a circular hole and a small notch at the end. SAW/118558	Blokada samoregulatora LH, RH A metal L-shaped bracket with a circular hole and a small notch at the end, similar to the previous one but with a slightly different shape. SAW/118559
Blokada samoregulatora LH A metal L-shaped bracket with a circular hole and a small notch at the end, similar to the previous ones. SAW/118562	Blokada samoregulatora RH A metal L-shaped bracket with a circular hole and a small notch at the end, similar to the previous ones. SAW/118563
Cylinderek hamulcowy LH,RH A metal brake cylinder with two ports and a central mounting point. SAW/112713	Cylinderek hamulcowy A metal brake cylinder with two ports and a central mounting point, similar to the previous one. SAW/112715
Cylinderek hamulcowy A metal brake cylinder with two ports and a central mounting point, similar to the previous ones. SAW/119077	Linka hamulca (LH) LH A metal brake cable with a braided section and a hook at the end. A dimension line indicates a length of L = 1185 mm. SAW/118126
Linka hamulca (LH) LH A metal brake cable with a braided section and a hook at the end. A dimension line indicates a length of L = 1205 mm. SAW/119342	Linka hamulca (LH) LH A metal brake cable with a braided section and a hook at the end. A dimension line indicates a length of L = 1265 mm. SAW/119328
